

Camellia Sasanqua Setsugekka

Camellia Setsugekka is a fantastic early flowering, evergreen Camellia perfect for hedges or informal screens.

This top selling variety produces medium sized, semi double white flowers early Autumn through to early winter. Frost and wind tolerant

Where to Grow

- *As a formal hedge*
- *For use as a screen for boundaries*
- *Containers to brighten up patios and courtyards.*
- *In garden beds as a stand-alone specimen*

Planting

- *Plant from Autumn through to early summer*
- *Requires well drained soil*
- *If planting in containers, use a good container mix containing a slow release fertilizer, ensuring the container has good drainage. Water well.*
- *Camellia Setsugekka grows 2.5M high by 2M wide.*
- *Prefers semi-shade*

Care

- *Water well while the plant is establishing itself*
- *To maintain shape and height trim after flowering has finished*
- *Feed early Spring and Autumn with Camellia fertilizer*
