

Lilium 'Snow Queen'

Often referred to as a Christmas Lily, Lilium 'Snow Queen' is highly perfumed making it the perfect cut flower for Christmas arrangements. The white trumpet flowers produce an exotic perfume which will fill the whole house.

Where to Grow

- *In containers on patios or decks*
- *For maximum effect mass plant in garden beds in well- drained soil.*

Planting

- *Place in a sunny position, preferably with morning sun*
- *Enrich soil with organic matter or compost*
- *If planted in containers, use a good container potting mix with a slow release fertilizer, ensure that the container has good drainage*
- *Flowers are produced on long stems up to 80 cm.*
- *Bulbs will multiply each year*
- *Dormant during the winter months*

Care

- *Water well while the plant is establishing itself*
- *As new leaves emerge each spring protect from slugs and snails*
- *If planted in containers monitor and water regularly, do not allow to dry out.*
- *Remove faded flowers*
